"HackRU"

I, Adrian Garza, will be participating in the "HackRU" event with the
USACS at Rutgers Athletic Center on 04/18-19/2015

(Student Organization Name)

location

day, date, year)

I recognize and acknowledge the following:

- I wish to participate in the **HackRU** software and hardware development contest.
- I hereby agree to comply with all of the **HackRU** rules and procedures and to act in accordance with the instructions of **HackRU** officials. I understand that, should I violate any of the aforementioned guidelines, I will be subject to the consequences deemed appropriate by the **HackRU** officials. Such consequences may involve the revocation of prizes and/or ejection from the **HackRU** event.
- I verify that I have represented myself accurately on my application and in any subsequent information provided for **HackRU** officials. I understand that I may create the concept for my project or the project of my team (referred to as *My Project*) before I arrive at the contest, but that all development on *My Project* will take place on the Rutgers University New Brunswick campus between 12:00 PM EST on 10/11/2014 and 4:00 PM EST on 10/12/2014, unless stated otherwise by a **HackRU** official.
- I understand that **HackRU** will not claim ownership on *My Project*, but I hereby represent and warrant that all of the work on *My Project* is original to me or to my team and was produced during the event. That said, I also understand that my team can use publicly available code to produce *My Project*, as long as the license on that code allows such use and would allow *My Project* to be produced and marketed in commerce without further payment or restriction.
- I agree to allow **HackRU** officials or judges to view code from *My Project* for the purpose of judging and that the ruling of the judges is final. **HackRU** has no ownership interest in *My Project* and therefore has no liability for any legal or contractual issues that arise from *My Project*. I hereby agree to indemnify, hold harmless and defend **HackRU** and Rutgers University against any liability related to *My Project*.
- **HackRU** and the Rutgers University are not liable for any emotional or physical damage to me, as well as physical damage to my computer, other equipment, and personal items, including the case of theft of my belongings. However, I am liable for any damage I may cause to **HackRU** or Rutgers University property. Food is provided by outside vendors and **HackRU** is not responsible for meeting any food related standards.
- I agree to grant **HackRU** permission to use my photo or video image and the demo of *My Project* freely for any purpose, and I specifically grant permission to use these images or demo in marketing for **HackRU**.
- I acknowledge that I am responsible for respecting humankind and the hacking community at large by conducting myself in a manner deemed appropriate by the **HackRU** officials and not being abusive to other individuals during the event.
- I understand that alcohol is prohibited at Rutgers University events. If I am found in possession of alcohol during any part of this trip, including travel to and from the site, I will face all judicial ramifications.

In full awareness of the above and in consideration of my participation in this event, I waive, release and discharge any and all claims for death, personal injury or property damage against Rutgers, The State University, its officers, agents and employees, the Rutgers, its officers, agents, activity coordinators, members or which may hereafter accrue to me as a result of my participation in the event. I agree to indemnify and hold harmless Rutgers, The State University, its officers, agents and employees from any claim or loss for death, bodily injury or property damage arising in any manner out of my presence or activities in the course of my participation in this **HackRU** event. Furthermore, the undersigned student acknowledges that the risks outlined above are not intended to be all-inclusive and voluntarily accepts all risks known or unknown.

It is further understood and agreed that this waiver, release, indemnity and assumption of risk is to be binding on my heirs and assigns.
